THE PLACE

IMAGINE spending 5 days in a 5-star hotel, housed in a scenic spot, with delicious food and luxurious accommodations.

Your days will be filled with your favorite sessions and classes, networking, and the positive energy of wonderful like-minded people (over a thousand of them).

Hosted at the National Jewish Retreat, we give you Jewish learning that never looked sooo good.

Jewish knowledge and community in a first-class experience.

THE PLAN

// YOUR SESSIONS

Getting to know your Jewish self can be exciting. And so can Jewish learning.

Our schedule boasts mind-blowing workshops, conversations with spiritual mentors, and plenty of team-building and self-discovery sessions, all thoughtfully crafted for you to gain real tools and live your best Jewish life.

// YOUR JOURNEY

Our friendly crew of student leaders and staff lead the perfect blend of mind-body-soul throughout your stay.

Here, you'll uncover a clear understanding of your purpose, deepen your Jewish knowledge, and recharge your emotional wellness. Immerse yourself in the beauty of Judaism and the power of lasting friendships.

It is the perfect start to a
lifelong Jewish journey.

// YOUR EXPERIENCE

With you at the heart of each day, our daily schedules are thoughtfully curated and offer a variety of options for you to choose from. Our mornings are spent at fascinating sessions of your choosing, and afternoons and evenings at workshops and activities designed to keep you connecting, discovering, and exploring.

“

The Retreat has been the best experience of my entire life, filled with so much joy, love, and passion.”

THE COMMUNITY

Beyond the sessions and activities, there is plenty of time to mingle and network. Together with a select group of 150 students, you will learn alongside some of Judaism's top minds and an international community of Jewish professionals.
